General Services Administration Alliant GWAC

Thomas & Herbert Consulting LLC (T&H) is the Prime contractor for the GSA Alliant Large Business contract Number GS00Q09BGD0058. The Alliant Governmentwide Acquisition Contract (GWAC) is a 10-year, multiple award, indefinite-delivery, indefinite-quantity (IDIQ) contract that can help federal agencies transform with innovative, integrated and best-value information technology solutions. Agencies can address evolving needs quickly—benefiting from existing and emerging technologies throughout the contract lifecycle and without complex acquisition processes.

T&H brings our experience and insight to help agencies use the Alliant contract as a vehicle for enterprise-wide change. T&H is a Certified Veteran-Owned Small Business (VOSB) and a CMMI Level 3 Certified management and information technology consulting firm with an impeccable track record for delivering solutions for our clients.

Founded in 1996, T&H is a values-based company. We are passionate about the success of our clients. Our values, which include People, Integrity, Quality and Fun, are embraced and demonstrated by our team of highly skilled, experienced, and friendly staff.

Alliant Application Services

Application Services provide support for all applications and collaborative service capabilities. These services include support for developing and implementing enterprise and departmental-level applications. These applications may be “cross-cutting” in nature, with inter-related service processing components extending across/beyond the enterprise, or unique to a particular agency/department’s mission requirements.

- Customer Services
- Process Automation
- Business Management
- Digital Asset Services
- Business Analytical Services
- Back Office Services
- Support Services
- DoDEA Mission Area Support

Introduction to the Alliant GWAC

GSA’s Alliant is a multiple-award, indefinite-delivery, indefinite-quantity (IDIQ) Governmentwide Acquisition Contract (GWAC) offering comprehensive and flexible IT solutions worldwide. All awardees have top secret facility clearances and can provide best-value Information Technology (IT) solutions to federal agencies globally, while strengthening opportunities in federal contracting for small businesses. The Alliant contract has an ambitious goal of 50% of all subcontracted dollars performed by small businesses over the life of the contract.

The scope of Alliant is aligned with Federal Enterprise Architecture, which encompasses all components of an integrated IT solution, including new technologies that may emerge during the life cycle of the contract. This GWAC provides IT solutions through performance of a broad range of services which may include the integration of various technologies critical to the services being acquired.

For more information about how the Alliant GWAC can provide your agency with state-of-the-art IT solutions, visit www.thcllc.com/gsa-alliant.html or contact:

### Features

- A $50 billion dollar program ceiling and a five-year base period with one five-year option
- Scope aligned with Federal Enterprise Architecture (FEA) and Department of Defense Enterprise Architecture (DODEA)
- All contract types, e.g., fixed-price, cost-reimbursement, labor-hour and time-and-materials
- Ancillary support permitted when it is integral to and necessary for the IT services-based outcome
- Access to 58 exceptionally qualified industry partners
- Aggressive subcontracting goals - 50% of subcontracted dollars
- Pre-competed, easy-to-use contract with streamlined ordering procedures based on FAR 16.505
- Complimentary scope-compatibility reviews
- Compliance with current National Defense Authorization Act (NDAA) regulations pertaining to multiple-award contract task orders
- No protests on orders $10 million and under; except on the grounds that the order increases the scope, period, or maximum value of the GWAC

### Benefits

- Allows for long-term planning of large-scale program requirements
- Conforms to Office of Management and Budget (OMB) policy mandates for IT investments and coincides with the current IT definition at any given time
- Offers flexibility of contract types for optimal risk mitigation
- Facilitates integrated IT solutions
- Enables innovative solutions at competitive prices from experienced providers
- Provides subcontracting opportunities for small businesses
- Saves time and money by reducing procurement lead time
- Promotes contract compliance and reduces risk of adverse audits
- Supports price competition/”best value” through the FAR 16.505 Fair Opportunity process
- Minimizes protest risk and supports timely order award for optimal mission support

### Clients

- Centers for Medicare and Medicaid Services
- Department of Veterans Affairs, Veterans Health Administration
- Department of Housing and Urban Development
- Army PEO-EIS
- Defense Logistics Agency
- Department of Homeland Security
- Intelligence Community (multiple agencies)
- Treasury
- Internal Revenue Service
